

MIC-03A

Travel Noise-canceling Microphone

Genius releases its new microphone, MIC-03A which is specially designed for users need a good quality microphone while on the go. MIC-03A can reduce the background noise and provide a good talking environment. The flexible 360° gooseneck design lets users find an easy height and position while speaking. The gold-plated plug can work with any 3.5mm notebook microphone jack. MIC-03A comes in two distinct colors: black and white.

The MIC-03A delivers true sound recognition for Skype/video chat in a portable, compact design.
